

IS COMPLETE FOR BIG RALLY

Democrats to Celebrate Wilson and Marshall Day at Convention Hall To-morrow Night.

Senator Tudor Bayne of Maryland, Representative Carter Glass of Virginia, and Annie Taylor, former United States Ambassador to Spain, will be the speakers at the Democratic rally, to be held at Convention Hall to-morrow night. John P. G. Davis, national committeeman for the party, will act as chairman, and Henry M. Davis, a college mate of Woodrow Wilson, will read the special message which Gen. Wilson is to send.

The demand for tickets has been so great that was predicted at the head of the list of the national committee in the Washington Building, where the Convention Hall would be crowded. Fifteen hundred students of the District, and Wilson and Marshall clubs of Alexandria, Falls Church, Fairfax Court House, Chevy Chase, Kensington, Bethesda, Germantown, Brookville, Rockville, Silver Spring, Hyattsville, Mount Rainier, Capitol Heights, Beltsville, and Vienna will attend. A section of the hall has been reserved for the Women's National Democratic League.

A parade of Democrats from Fifteenth Street and New York Avenue to Convention Hall will form at 7 o'clock. The Wilson and Marshall Club of the District will lead the marchers with a brass band. The Princeton alumnus will head the student delegation.

William S. Riley, chairman of the floor committee, and H. J. Connor, sergeant-at-arms, will have a force of fifty ushers and fifty orderlies to provide for the comfort of the crowd.

LICENSE NOT TO BE REVOKED

Commissioners Decide to Take No Action Against Lyceum Theater. Warning Sent Management.

The Commissioners yesterday decided not to revoke the license of the Lyceum Theater, following consideration of an opinion submitted by Corporation Counsel Thomas.

Mr. Thomas held that the authority of the Commissioners to revoke a license is limited by a joint resolution of Congress, which requires that before a license is revoked due notice must be given the proprietor, who then has the opportunity of conforming to regulations established by the Commissioners.

The Commissioners decided at the meeting that a formal notice be written to the management, informing them that violations in the regulations governing the character of the performances will result in immediate revocation of the license.

Request for the revocation of license was made by a committee representing various religious organizations of the city, alleging that performances offensive to public moral had been given.

The Excise Board probably will take action to prevent the sale of liquor on the floor of the theater, under the authority of an act of Congress which prohibits minors, under sixteen years of age, from entering a place where liquor is sold.

BEAUTIES OF AMERICA.

Elmendorf Takes Audience on Trip to Pacific Coast.

Starting his afternoon's tour at San Francisco Dwight Elmendorf yesterday delighted a large audience at the National with the fourth in his series of travel lectures on "Great Places in a Great Country," this time describing the interesting places of the Pacific Coast from Monterey to Mount Rainier. Especially interesting were the pictures showing the San Francisco of to-day as compared with the San Francisco before the earthquake.

Traveling south from San Francisco the quiet town of Monterey, one of the earliest settlements on the continent and rich in historic associations, was the first stop. And that most delightful resort, Del Monte, was reproduced in all its beauty.

Through the fruit country around San Jose, with a glimpse of the great Lick Observatory on the top of Mount Hamilton, Elmendorf stopped on his way to the Yosemite Valley. There many wonders of this great national park were revealed by motion and exquisitely colored still pictures.

North to Portland with many views of the Rose City, and up the Columbia River to Mount Hood was the route followed.

A climb to the top of this great mountain, and the descent to the forest below, where the motion pictures came, caught a crew of lumber jacks following some of the big trees, proved most interesting. A visit to the Mount Rainier National Park, where were shown the many natural beauties in which the park abounds, ended the tour.

SPKES ON CATHOLIC CHARITIES

Rev. Dr. William J. Kerby Lectures at Catholic University.

The third of a series of public lectures to be delivered at the Catholic University of America by members of the faculty was given in McMahon Hall yesterday afternoon. Rev. Dr. William J. Kerby spoke on Catholic charities.

The lectures are proving very popular and yesterday the auditorium in McMahon Hall was well filled with students of the university and their friends. Next Tuesday Rev. Dr. James J. Fox will deliver a lecture on Archbishop Ketteler, a great Catholic social reformer.
